Where can I find the most update information concerning Irvine Football?

www.irvinefootball.org

What is Blitz Night?

Blitz Night is a fundraiser activity, where parents socialize as the players go out in the community and sell Vaqueros Ticket Packages (Varsity Gold Packages). Parents are encouraged to bring a food item and enjoy dinner in the company of other football parents. Players eat when they return. A fun filled evening for all!

What is the Kick Off Dinner?

The Kick Off Dinner helps set the tone for our upcoming season. It is different from the end of the season banquet, where each level; Freshman, JV and Varsity have their own banquet. This dinner provides an opportunity for all players to be introduced to our football community.

Do I pay for the Kick Off Dinner?

Player's dinner has been paid for in their fees. Any additional family member will need to pay for their own ticket. Tickets for the Kick Off Dinner can be purchased during Blitz night. Cash is always welcome or checks can be made payable to Irvine High School. Bring you checkbook, this is also a fundraiser with a silent auction and many additional items to be auctioned off during a live auction.

What is Family Picture Night?

This is a chance for players and their families to have a professional picture taken with the player in his jersey. This is usually held on a Saturday afternoon just before a Freshman JV back to back football games.
