

# **Alumni, We are so proud of Vaquero Football !**

We would like to thank all the Vaquero football alumni and families for their commitment and dedication over the past year(s).

The Irvine Vaquero football program is one of the best programs our school has to offer, and their performance this past year has made us all very proud to be Vaqueros. We hope that you have received as much enjoyment from your association with Irvine Football as you have given to us as alumni and fans.

To that extent, we would like to solicit your help in insuring that the great tradition of Vaquero Football can continue to flourish and others can experience the pride and joy that you, yourself, have enjoyed.

As you know, the Vaquero Pigskin Club, as the primary football booster group, is responsible for most of the voluntary funding that goes to support the football program. In the past, the Pigskin Club has provided funds for equipment and honors banquets as well as supporting the coaching staffs. This past year, we were instrumental in helping to acquire a new sled, new helmets and shoulder pads, as well as many other items for the program.

In these tough economic times, we are looking to alumni to help support the program in the coming year. If you have contact with any former players or their families, we would like you to forward the attached donation form to them, and encourage them to assist us in keeping the Vaquero football program the best in the area.

Any size donation is greatly appreciated.

Remember that many of your fellow Vaquero alumni have become life-long friends. You are a unique group who, together, accomplished much. We look forward to seeing you at future Vaquero football games. Always display your Vaquero logos and apparel with pride.

Again, thank you for your help.

*The Irvine Vaquero Football Pigskin Club*
